

Making a Smart Choice

All great chefs have their “secret recipes.” With Security Benefit’s SmartChoice, financial professionals have the ability to leverage our expanded investment menu to design a plan’s investment lineup to meet their fiduciary value proposition and plan clients' needs.

The menu is complemented by a wide array of client services designed to help you create your own unique, secret recipe and grow your practice.

Open Architecture

SmartChoice’s open architecture investment menu gives you access to over 20,000 mutual funds.

**No Proprietary mutual funds from
Security Benefit**

**Flexibility to bundle the plan’s TPA
services with Security Benefit or
utilize an independent TPA**

**Platform consistency: one platform,
multiple plan types**
