You should carefully consider the investment objectives, risks, charges, and expenses of the investment options available under the variable annuities offered. You may obtain a prospectus and/or summary prospectus that contains this and other information about the investment options or variable annuity by calling our Service Center at 800.888.2461. You should read the prospectus and/or summary prospectus carefully before investing. Investing in variable annuities involves risk and there is no guarantee of investment results.

Annuities are long-term investments, suitable for retirement investing. The investment return and principal value of an investment in a variable annuity will fluctuate and you may have a gain or loss at redemption.

Guarantees provided by annuities are subject to the financial strength of the issuing insurance company. Annuities are not FDIC or NCUA/NCUSIF insured; are not obligations or deposits of, and are not guaranteed or underwritten by any bank, savings and loan, or credit union or its affiliates; and are unrelated to and not a condition of the provision or term of any banking service or activity.

See the prospectus for complete product details.

The Variflex Variable Annuity, form V6023, is a flexible purchase payment deferred variable annuity issued by **Security Benefit Life Insurance Company (SBL)** and distributed by **Security Distributors**, a subsidiary of SBL. SBL is a subsidiary of Security Benefit Corporation (Security Benefit).
